Our congratulations to all the students that participated in the KCEA events. God has blessed our students with great abilities, and it is inspiring to see so many put their skills to the test and constantly work to improve them. Please encourage your children to be involved next year - they will be challenged and will take steps to grow as Christ set the example to do in Luke 2:52.

**Wanted:**

you or someone you know  
can help us out, please con-
