## New year, great start

We are very thankful for a great first month of school. We have been blessed with new teachers, new students, new staff positions, and a new year to look forward to all the things God has in store for us.

Our first day began with an all-school chapel and an afternoon of fun for the secondary students. The elementary classes enjoyed a fun time later that week.

The high school classes were challenged the rest of that week during morning chapels where they heard God's Word presented by several different speakers.

Our parents have been very active in helping to get the year off to a good start. We are grateful for all who have volunteered to work in the lunchroom, library, concessions and numerous other things. Your help and support is a great blessing

Please continue to pray for HPBA daily, that God would continue to bless and that He would be glorified throughout this school year.

Parents, please be aware that this is not just a high school annual - it is a K3-12 book. Every student in the school is somewhere in the book, not including the portraits pages, and each class has its own pages. The Talon staff has worked hard to pack each edition with tons of photos and lots of information. Don't miss out on one year of your student's time at HP! If you have not yet ordered your copy, please note that **the cost is now \$45**. Order forms are enclosed.

There are also many *back issues* available. Please contact Mrs. Bixler for pricing.

### ■ Sports Corner

*There is an important change in the PIAA sports physical regulations. **Re-certification is no longer necessary:** however, each athlete must receive a thorough physical that would be good for the entire year. More detailed information will be sent home later.*

*Also, please note that the away games at UBCS on Oct. 5 will now be played at **home**. The away games have been rescheduled for **Oct. 11**.*
