

February 27, 2008

Dear Parents,

It does not seem possible that February is almost history. That means that we need to start making preparations for our next school year. First of all, let me take this opportunity to thank you for your support of Christian education. We here at High Point Baptist Academy consider it a tremendous privilege to work with your children spiritually, academically, physically, and socially. Luke 2:52 is a great reminder to us of how Jesus grew, and that is what we desire for each of our students. Please keep High Point Baptist Academy on your prayer list as we need God's power to accomplish all that He wants us to accomplish for His glory.

As we make plans for a new year, we are opening enrollment for all of our current students now. In some of the classes there may be a need to close them if they become too full. So it would be wise to enroll as soon as possible. Enrollment will be open to new students by the middle of March. Some of the classes are close to full size now.

As an incentive we are giving parents a break on their registration fee. If you re-enroll by the end of March, the price will be \$100 per child not to exceed \$300 per family. The fee will increase \$25 for each month following. Because of rising costs, it has become necessary to raise our tuition 5% which amounts to \$20 a month or \$1 a day per student. You will find a 2008-2009 registration card and tuition scale enclosed. Be aware that there are two scholarships for which families may apply through the school. We will let you know when this information is available. There are also a number of websites that can be researched for available scholarships. If we can be of any assistance in this regard, please don't hesitate to give us a call.

We would like to remind you about the recommendation of new families. If you recommend High Point to a new family, and they enroll, your family will receive a \$500 credit for the first year that the family is here and an additional \$500 for following school year. This amount will be credited on the third semester of each year. An Open House will be held March 6 from 8:15-12:00 for any interested families. We would like for the families to call ahead if they plan to come. Our best form of advertizing has been through our present school families.

We are making one change in our program this coming year that will affect the kindergarten. Because of a number of requests, we are offering an all day K-5 program with the option if parents choose to go half a day. We feel that the whole day program will be very beneficial to those that choose to use it. The tuition for all day will be the same as for one child in elementary. The half-day tuition is listed under K-5.

Thank you again your support.

In His service,

Brian S. Williams  
Administrator  
High Point Baptist Academy
