WHEW!!!

Money matters

Remember, re-enrollment **registration goes up \$25** each month after March. Enroll to reserve a spot for your student before the class becomes full, must be closed, and the student put on a waiting list.

For those families interested in **scholarships**, there are several websites you may look into. They are:

www.pafamily.org

www.bccf.org

The school also has several scholarship applications for which families may apply.

Please remember to check your **SMART account** for current balances. If payments are late, you will be charged. Please keep your account current or contact SMART if you need to make adjustments.

At both the secondary concert and the elementary concert there will be baskets out for you to **give toward our music program**. We would like to buy some collapsible risers. We need \$1000 more to purchase 3 sections of portable risers for our choirs and elementary classes to use. We would love to reach that goal by the end of the year.

CDs of the 2004 High Point **hand bell choir** are available for purchase for \$2.00 each. Send the money in to the school office and the CD will be sent home with your child.

■ Students going into grades 1 through 7 can keep up on their studies during the summer months by using the Vacation Station workbooks. You can find out more about the books at www.bjupress.com/vacationstations.
