June 4 - *Elementary Awards* 9 am

School dismisses at 11:30

Yearbook info

Order forms for **this year's Talon** are being sent home. Please turn them in ASAP so we know how many books to order. If you wait until the fall to order, we can not guarantee you will get a yearbook.

Also, if you have a student going into the 9th grade (or older), and they wish to be on the **yearbook staff** next year, please have them see Mrs. Bixler for an application. We are looking for students who are dedicated to the job, willing to spend extra time on the project, and are interested in writing, design and photography. Only a few students are accepted each year.

A few notes

Congratulations to all the students who participated in the elementary, junior high and senior high **Fine Arts events**. Each one did a great job and we are excited to have had so many take part.

Thank you to all who purchased **class photos**. Senior class pictures will be available in a few weeks.

Remember, re-enrollment **registration goes up \$25** each month. Enroll to reserve a spot for your student before the classes become full, must be closed, and the students put on a waiting list.

For those families interested in **scholarships**, we still have a few available in the office. One specifically must be mailed out by May 31.

Safety issue

Parents, please be reminded that for safety reasons you **must** enter the lower Chapel Road entrance to the parking lot - NOT the Furnace Road side - and park to let the students walk up to one of the doors into the building. Please arrive in a timely manner. Following these instructions will help us to avoid any unnecessary injuries to our students.
