Sept. 2008

Support the seniors

The senior trip to the Dominican is a long way off, but you can start now to help the class raise their funds. They have a wonderful opportunity to both sightsee as well as experience the mission field first-hand. Throughout the year there will be fund-raisers scheduled. The first of these is set for Sept. 20. The class is having a yard sale and car wash. The yard sale will be set up in the parking lot of Morgantown Family Practice, and the car wash will take place in the afternoon across the street in the Sonic parking lot. If you have any items you would like to donate to the yard sale, please contact the school office.

The Leffler energy company in Douglassville will donate \$25 to the senior trip for each delivery of heating oil your families purchase from them this year.

The seniors will also be sending out letters to individuals and families, requesting personal financial aid. Please be open to what the Lord would have you do for these young people.

The *Talon* is coming!

The **2008 yearbooks** will be here very soon. If you have not ordered yours yet, the cost is \$50. Please fill out a form and return it with your payment ASAP. Copies are limited, and we've already sold over half of the books. If you have already paid for a copy, the oldest child listed on the form will receive the book to bring home. Please note: this is LAST YEAR's book. Order forms for this year's book will be sent home in the spring.

September 18 is School picture day.

Tops and tapes

Please continue to collect Box Tops. We receive 10¢ for every Box Top collected. There are two deadline dates in the year: one is in October and another is in February. Our goal is to collect between 15,000 and 20,000 Box tops which would earn between \$1500 and \$2000 in funds for school needs.

Also, Target and Redners have programs for educational funding. If you register at either store, every time you make a purchase, a percentage of your total is given to your school. Although it is a small percentage, the amounts add up quickly.
