The newsletter of HPBA

2010

Re-enrollment is going well. Several classes are already half full, and registration forms continue to come in. Make sure you have your students enrolled before we have to close the classes.

Also, the sooner you enroll, the lower the registration fee.

Forms for next year are now available for one specific scholarship. Additional scholarships can be found at www.bccf.org, which offers financial assistance for private school students in Berks County.

Scientific success

The 8th and 10th graders participated in the science fair, entering many very interesting projects and experiments. The winners for each class are as follows:

8th-Physical science	3rd -Ben Simpson 2nd -Katie Ringler 1st -Paige Hansen
8th-Biological science	3rd -Morgan Carmen 2nd -Kailey McDevitt 1st -Seth Reigner
10th-Physcial science	2nd -Gretchen Shenk 1st -Jacob Simpson
10th-Biological science	2nd -Shannon Nifenecker 1st -Shelley Hawk

Please be reminded: if your students need to be dismissed early, send in a note so we are aware of the situation. Often we cannot locate your children for you in time if we do not know when you will be picking them up.

April activities

April 3 - no school
KCEA junior high fine arts meet
Students are welcome to come and observe, but they must be in **school dress.**

April 8 - *All-school chapel, 9 AM*
- visitors are welcomed

April 9-14 - *Easter break* - no school

April 17 - *Elementary* fine arts meet
