Take note

Congratulations to all the students who participated in the elementary, junior high and senior high **Fine Arts events**. Each one did a great job and we are excited to have had so many take part.

Shady Maple will be delivering lunch on **Friday, May 15**. If you are interested in purchasing a meal, please send the order form with the payment in a Ziploc bag by May 13.

There is a possibility for us to have an *exchange student* from Chile, South America. She is a 12th grade girl who will be here from the **beginning of school to Christmas break**. Right now we are looking for housing for her during that period of time. If your family would be interested in this ministry opportunity, please contact the school office immediately.

A brand new contest is being started this year. Patterned after the National Spelling Bee, it has been named the *2009 National Bible Competition*. There will be more than \$260,000 in prize money awarded, with \$100,000 being given to the first-place winner of the top age bracket. Limerick Chapel is the hosting church for the local contest which will be held on **September 12, 2009**. This is a great opportunity for students to learn God's Word. For more information, visit www.biblebee.org.

Please return *yearbook order forms* as soon as possible so we know how many books to print. If you wait until the fall to order, we can not guarantee you will get a yearbook. Order now and pay \$45: orders received **after May 29** will be \$50 per book.
