PIAA News: Great News!!

Girl's sports - PIAA has reversed their earlier decision to move girl's spring soccer to the fall
beginning in 2010. The PIAA move to fall soccer will not be until 2012. High Point will continue
to offer volleyball in the fall and soccer in the spring for girl's sports during this time. This gives
many schools more time to prepare and decide the direction of our schools athletic program.
