Our gratitude...

Dan Ellsworth in the role of Joseph in the play "God Meant it for Good."

... to all those who were involved in the school play. The students put on a great performance and learned so much this past week. From altering costumes and doing make up, to running lights and sound and redoing parts of the set, to acting and speaking, so many students were involved in this production. Thanks to all of the adults who had a part in making it all happen.

And thanks also to all who were involved in the café - the senior class greatly appreciates all the time and effort that was put into making it a success. They were able to earn a good portion of their expense money through the café.

Special thanks to all who attended - we are grateful for your encouragement to our students and for your support of the school fine arts program.

Champs!!!

Congratulations to both the varsity and middle school volleyball teams for taking first place in the league!! Seniors Alyssa Kline and Lauren Simpson were named to the all-star team, and Laura Peterson was named league MVP. Varsity team member Dathan Marshall was also named to the all-star soccer team. Congratulations to all of these students!

Can you help?

One of our parents serving in the National Guard mentioned to us that the Guard is collecting school supplies for the children in Iraq. The elementary classes will help in the collection of these supplies. The children in Iraq can use the following items: paper, pencils, crayons, glue, etc. The collection deadline is Nov. 22. Each elementary class will have a collection box - please do what you can to help.

The secondary classes will also be taking offerings during chapel as a love gift for Miss Parroquiano. She left HP to teach in a Christian school in Colombia. She receives a minimal salary, and we would like to encourage her with a Christmas gift from the students. If you wish to contribute, send the money in a sealed envelope marked "Miss P"
